Larkspur Kilns (fictional)

Kiln scheduling for ceramics studios

Seed round, 2026

The problem

Studios lose a firing a week to

double-booked kilns and missed cool-downs.

Traction

2025 revenue: $1.2M

Monthly recurring revenue: $100K

Paying studios: 340

Unit economics

Gross margin: 75%

2025 gross profit: $690K

Market

Ceramics studios in the US: 18,000

We start with studios of 2 to 10 kilns.

The ask

Raising $2.5M to reach 1,000 studios

This deck is synthetic test data.
